ANNUAL TEACHING PLAN ENGLISH HL GRADE 3-YEAR 1-2

3.3 Teaching plans: English Home Language Grade 3 with differentiation

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 1 & 2	Me and my timeline	LISTENING AND SPEAKING:	
		• Display listening behaviour • Use visual and pictorial cues to make meaning • Use language for communication • Understand simple statements • Follow two simple oral instructions • Learn vocabulary	Learners display the following listening behaviour throughout the year: • Listen to questions and give answer • Listen to instructions and responds appropriately • Listen to announcements • Listen without interrupting • Talk about personal experiences: tell news, describe weather news, other topical events etc. • Sing songs and does actions. Term specific activities: • Paste the 2D shapes with tape on a tray or table top and let learners pack the 3D shapes on it. Add knobs for better manipulation • Solve and complete at least twenty piece or more jig-saw puzzles • Understand that an activity can be described: i.e. I am bringing water to you. • Tell stories and retell other children's stories in own words • Use terms such as sentence, capital letter, full stop • <u>Participate in simple discussions</u>

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			○ Acknowledge that he/she is special and that everybody is different ○ Talk about pictures in posters, topic charts, books ○ Name fellow classmates
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Develop auditory discrimination skills • Segment oral sentences into individual words • Divide words into syllables • Identify rhyming words • Revise the taught sounds and word families	• Recognise sounds at the beginning of some words and names • Sound game, e.g. different picture cards of items. Learners name the picture and say the initial sound of the item on the picture. Sort the cards into correct 'sound bags'. • Identify words that begin with the same sound, e.g. hat; hen; hand. • Segment oral sentences into individual words, e.g. by clapping/banging a drum/tapping on the table on each word in a sentence. • Divide multisyllabic words into syllables using names of learners and words in the classroom/texts • Identify rhyming words in a rhyme or song
		READING	
		SHARED READING	
		• Read Big Books or other enlarged texts with the teacher	• Read labels and captions in the classroom and on pictures • Answer questions based on the texts, e.g. select the correct 'Yes'/ 'No' answer and mark with a button/block/ring/word card. • Look at pictures and discuss. Build the story by asking different questions, e.g. What/Who do you see? Where is it happening? What are the people doing? How are they feeling? What do you think will happen next?

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			• Predict what the story is about from the title • Point to words when reading • Match pictures and words using puzzles • Identify the sequence of events in simple stories
		GROUP GUIDED READING	
		• Read books at their own level	• Read picture books with two short sentences where words are repeated • Point to objects in a picture • Identify high frequency words, sight words and phonic sounds learnt • Answer questions about the text
		INDEPENDENT READING	
		• Read simple picture books independently	• Read picture books and comics
		HANDWRITING	
		• Develop fine motor skills • Develop gross motor skills • Copy/Write patterns, letters, words, short sentences and numerals independently • Use writing tools effectively • Form letters and numerals	• Do finger exercises and finger rhymes • Practice to cross the mid-line, crawl, run, skip and hop (depending on the learners' ability) • Distinguish between the shape of different letters and words. Use sandpaper, felt or sponge sheets and cut out numbers and/or letters. Let learners handle and manipulate the cut-outs. • Draw handwriting patterns. • Form lower case letters and some frequently used upper case letters correctly

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			• Use writing tools effectively: learners are able to hold their pencils and crayons correctly, and they are able to use a rubber and a ruler. • Write number 1-20 correctly • Write in 17mm lined books if available.
		WRITING	
		• Participate in writing activities • Write texts • Use punctuation • Complete written activities • Build own word bank and personal dictionary	• Convey messages using drawings. • Copy/write one short sentence correctly from the chalkboard/handwriting card. • Use capital letters and full stop • Fill in missing letters or words • Write common words from memory
Week 3 & 4	Me and my rights and responsibilities	LISTENING AND SPEAKING	
		• Use language to listen and perform • Listen to stories and answer questions • Compare and classify information • Use language for communication • Learn vocabulary	• Listen to stories, rhymes, poems and songs with interest and act out part of the story, song or rhyme. The stories, rhymes, poems and songs are related to the topic. • Answer questions, e.g. 'What is your name? How old are you? Where do you live? What is your mommy's telephone number?' etc. • <u>Participate in discussions:</u> ○ know that rights come with responsibilities ○ understand the difference between needs and wants
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Develop auditory perception skills • Identify letter-sound relationship of single letters • Build and blend words	• Distinguish aurally between different initial sounds of words • Identify letter-sound relationship of single letters. • Introduce the -en family sound, e.g. <i>ten, hen, den, Ben, me, pen</i>, and –ug family sound (<i>bug, jug, mug, hug, rug, tug</i>) • Blend and build words with the –en and -ug sounds using letter cards. • Group words in word families.
		READING:	
		SHARED READING	
		• Read simple Big Books or other enlarged texts with the teacher	• Predict what the story is about from the title • Recognise high frequency words in the text. • Match things that go together, and compare things that are different, e.g. solve and complete at least twenty piece or more jig-saw puzzles; find and circle the picture that is the same as the first one in a sequence of pictures. (Learners can use a ring to indicate the circle if they have difficulty in drawing a circle.) • Describe the main idea in the story. • Answer ‘Yes’/‘No’ questions using word cards and selecting the correct word card/card with a ☒/✓ for the question. • Add symbols or sentence strips to support learners when reading • Read high frequency words
GROUP GUIDED READING			

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES
		• Read books at their own level	Suggested activities: • Read picture books with two short sentences where words are repeated • Point to objects in a picture • Identify high frequency and sight words • Read short phrases/sentences
		INDEPENDENT READING	
		• Read simple picture books independently	• Read picture books with two short sentences where words are repeated • Recognise people and situations in pictures
		HANDWRITING:	
		• Develop fine-motor skills • Develop hand-eye coordination • Form letters correctly on paper • Copy patterns, words and letters • Continue writing learnt words independently	• Scrunch a paper into a ball, roll small pieces of tissue paper into small balls, manipulate items from one container to another using tweezers/tong/clothes peg, etc. • Use beads or sand and glue it in the shape of the desired letters. Add a magnet at the back of the letters to use on a tin baking sheet for letter and word building activities • Cut and paste activities • Form letters correctly • Form numerals 1-20 correctly
		WRITING	
		• Participate in writing activities • Write texts • Use punctuation • Complete written activities	• Write a caption for a drawing or picture using sounds learnt • Copy one sentence of news from the board/ chart correctly • Fill in missing letters or words • Use capital letters and full stop

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Use the past tense • Build own word bank and personal dictionary	• Write common words from memory
Week 5 & 6	My feelings and emotions	LISTENING AND SPEAKING	
		• Use language to relate stories • Use visual and pictorial cues to make meaning • Use language for communication • Learn vocabulary	• Listen to stories, rhymes, poems and songs with interest and retell the story in their own words • Understand and use the singular and plural form of nouns • Talk about pictures in posters, topic charts, books etc. and answer questions related to the story or pictures. Look at a set of pictures and talk about the story using beginning, middle and end • <u>Participate in discussions:</u> ○ identify emotions ○ understand what makes me feel happy, sad, scared, mad, worried ○ identify feelings like: joy, love, fear, grief, jealousy and disappointment ○ identify emotions in other people like my teacher, friends and family etc. ○ show respect for other people's emotions in an appropriate way
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Relate sounds to letters and words • Identify rhyming words • Understand the nature of formal language	• Recognise and name some letters of the alphabet • Recognise letter-sound relationship of single letters. • Identify rhyming words in well-known rhymes and songs

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		(phonemic awareness) • Build and blend words	• Sound play: consonant and vowel substitution word play, e.g. 'My name is Ben. If I change the 'B' to 'h', the word would be hen.' • Look at pictures and fill in the sound that each picture starts with. • Complete the letters to complete simple words. • Introduce the consonant digraph <i>ch-</i> (<i>chair, chain, cheese, chop, chip, chap, chat</i>). Use a song or a rhyme and have flash cards and pictures ready when introducing new sounds. Ask learners if they can think of any other words that start with the sound. • Build words using letter cards. • Show understanding of about 100 words
		READING:	
		SHARED READING	
		• Read Big Books or other enlarged texts with the teacher • Recognise objects, persons on pictures	• Predicts what the story is about from the title • Answer questions, e.g. Who? Where? Give the learners a choice of answers where they answer with a simple 'Yes/No'. • Read high-frequency words and common sight words • Match written words with pictures
		GROUP GUIDED READING	
		• Read books at own level.	• Read picture books with two short sentences where words are repeated • Identify high frequency words
INDEPENDENT READING			

GRADE 3 WITH DIFFERENTIATION TERM 1

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES
		• Read simple picture books independently	Suggested activities: • Read picture books with two short sentences where words are repeated • Point to objects in a picture • Identify high frequency words, sight words and phonics that have been learnt • Answer questions about the text
		HANDWRITING: • Develop fine-motor skills • Develop hand-eye coordination • Form letters correctly on paper • Copy patterns, letters and words • Continue writing learnt words independently	• Gross motor development: learners touch their toes (if possible), open their fingers wide, stretch out their arm, touch their heads, touch the sky, etc. • Touch different parts of their body according to the teacher's instruction. • Cut out the arms and legs and paste them on the picture. Draw the face and colour the picture. Provide learners with an enlarged laminated copy of the page, give with laminated (already cut-out pictures of the arms/legs) that they can add to the bigger picture – either with Velcro or magnet adaptations. • Provide learners with real objects, e.g. toothbrush, toothpaste, etc. when discussing specific items. Trace their hands. • Complete patterns, e.g. 

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			• Circle the first letter of words with pictures. A plastic/metal ring can be used instead of circling for learners who are unable to draw a circle. • Complete words by filling in the missing sound. • Trace the dotted lines • Form numerals 1-20 correctly
		WRITING	
		• Participate in writing activities • Use the past tense • Build own word bank and personal dictionary	• Write one sentence of own news or shared writing. Make simple word (symbol) cards to be used when building sentences • Compile a list of words, e.g. cut out pictures of brand names to compile a shopping list. Teacher provides the pictures and the labels. • Build own word bank and personal dictionary
Week 7, 8 & 9	Changes in me	LISTENING AND SPEAKING	
		• Use language for communication • Use language to perform • Sequence pictures • Use language to develop concepts • Identify parts of a whole • Participate in discussions • Learn vocabulary	• Talk about personal experiences • Recite poems and rhymes and adds actions to them with confidence • Sequence pictures of a story communicating through retelling the sequence of ideas with beginning, middle and end, using pictures • Develop concepts used in all subjects such as size, shape and sequence • Identify parts from a whole in a 2-dimensional format and constructs in 3-dimensional format, e.g. provide the learner of a model (line drawing) containing two blocks (can be more depending on the learners' ability) and learners build the model with their own blocks

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			• <u>Participate in discussions:</u> ◦ taking care of my changing body (the more personal issues will be handled in grade 4)
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Identify initial sounds • Identify rhyming words • Build and blend words	• Make “SNAP” cards with different symbols/words and enjoy the game with the learners to teach them sight vocabulary. • Identify initial sounds in pictures / words. Learners can use plastic, magnetic or foam letters to indicate the initial sound. • Identify rhyming words, e.g. select the correct word from a selection of words. • Revise the taught sounds and word families.
		READING	
		SHARED READING	
		• Read Big Books or other enlarged texts with the teacher	• Predict what the story is about from the title • Answer questions that require a simple ‘Yes/ No’ answer • Read high-frequency words and common sight words • Match pictures and words using puzzles
		GROUP GUIDED READING	
		• Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	• Read picture books with two short sentences where words are repeated • Point to objects in a picture • Identify high frequency words, sight words and phonics that have been

GRADE 3 WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			learnt • Answer questions about the text
		INDEPENDENT READING	
		• Read simple picture books independently	• Read picture books with two short sentences where words are repeated • Have a selection of reading material available, e.g. picture books, remnant books, comics, etc. • Read known and unknown words • Use decoding skills to read unknown words
		HANDWRITING	
		• Develop fine-motor skills • Form letters and numerals correctly on paper • Copy patterns, words and letters • Continue writing learnt words independently	• Complete patterns • Complete words by filling in the missing sounds • Find and circle the letter that is the same as the first one in a set of letters • Trace the dotted lines • Form numerals 1-20 correctly
		WRITING	
		• Participate in writing activities • Use the past tense • Build own word bank and personal dictionary	• Write one sentence of own news or shared writing, e.g. draw a picture and write a sentence about the picture • Compile a list of words. Pictures/symbols can be used. • Build own word bank and personal dictionary

GRADE 3 TERM 1

Week 10: Assessment

SUGGESTED ASSESSMENT GOALS LISTENING AND SPEAKING • Listen to questions and give answers • Listen to instructions and responds appropriately • Listen to announcements • Listen without interrupting • Talk about personal experiences: tell news, describe weather news, other topical events etc. • Sing songs and does actions • Understand and use the singular and plural form of nouns PHONOLOGICAL AWARENESS AND PHONICS • Recognise sounds at the beginning of some words and names • Identify words that begin with the same sound, e.g. hat; hen; hand. • Segment oral sentences into individual words. • Divide multisyllabic words into syllables using names of learners and words in the classroom/texts • Recognise letter-sound relationship of single letters • Identify rhyming words in well-known rhymes and songs • Build and blend words with the taught sounds and word families SHARED READING • Read labels and captions in the classroom and on pictures	SUGGESTED ASSESSMENT GOALS INDEPENDENT READING • Read picture books and comics • Read known and unknown words • Use decoding skills to read unknown words GROUP GUIDED READING • Read picture books with two short sentences where words are repeated • Point to objects in a picture • Answer questions about the text • Identify high frequency and sight words • Read short phrases/sentences HANDWRITING • Form lower case letters and some frequently used upper case letters correctly • Write number 1-20 correctly WRITING • Copy/write short sentences. • Use capital letters and full stop • Fill in missing letters or words • Write common words from memory
---	--

- Predict what the story is about from the title
- Point to words when reading
- Match pictures and words using puzzles
- Read high-frequency words and common sight words
- Match written words with pictures

- Use the past tense

GRADE 3 WITH DIFFERENTIATION TERM 2			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 1 & 2	Insects	LISTENING AND SPEAKING	
		• Use language for communication • Use language to relate stories • Identify parts of a whole • Participate in discussions • Learn vocabulary	• Tell stories and retell other children’s stories in own words • Identify parts from a whole in a 2-dimensional format and constructs in 3-dimensional format, e.g. provide the learner of a model (line drawing) containing two blocks (can be more depending on the learners’ ability) and learners build the model with their own blocks • <u>Participate in discussions:</u> ○ identify different insects/animals ○ observe and draw an insect ○ discuss how insects help us ○ discuss how insects harm us
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Use auditory cues to distinguish different sounds from the environment • Identify initial sounds • Recognise letter-sound relationship of single vowels • Identify rhyming words in well-known rhymes and songs • Build and blend words	• Recognise and name letters of the alphabet • Recognise letter-sound relationship of single letters • Identify rhyming words in well-known rhymes and songs • Revise the sounds and families that have been taught.
READING			

GRADE 3 WITH DIFFERENTIATION TERM 2			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		SHARED READING	
		Read Big Books or other enlarged texts with the teacher	- Predict what the story is about from the title - Describe setting/context in the story and give opinions - Answer questions that require a simple 'Yes/ No' answer - Read high frequency words and common sight words - Match pictures and words using puzzles
		GROUP GUIDED READING	
		Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	- Read picture books with two short sentences where words are repeated - Point to objects in a picture - Identify high frequency words, sight words and phonics that have been learnt - Answer questions about the text
		INDEPENDENT READING	
		Read picture books independently	Read picture books with two short sentences where words are repeated
		HANDWRITING	
		- Develop fine-motor skills - Develop hand-eye coordination - Form letters correctly on paper - Copy patterns, words and letters - Continue writing learnt words independently	- Trace lines from one picture to another. - Trace dotted lines - Use different textures to feel the shape of the letters.
		WRITING	

GRADE 3 WITH DIFFERENTIATION TERM 2			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Participate in writing activities • Use the past tense • Build own word bank and personal dictionary	• Write one sentence of own news or shared writing • Compile a list of words • Build own word bank and personal dictionary
Week 3-5	Life cycles	LISTENING AND SPEAKING	
		• Display attentive listening behaviour • Follow two simple oral instructions • Listen to stories and answer questions • Sequence pictures • Use visual and pictorial cues to make meaning • Compare and classify information • Answer questions • Use language for communication • Participate in discussions • Learn vocabulary	• Listen to stories with interest and identify the main idea of the story. Choose material with repeated sentence patterns. • Answer closed (literal) questions • Sequence five pictures of a story communicating through retelling the sequence of ideas • Talk about pictures in posters, topic charts, books etc. • Discuss opposites • Describe objects in terms of colour and size using correct vocabulary • <u>Participate in discussions:</u> ○ discuss what a life cycle is ○ identify the life cycle of a: ▪ amphibian (frog)/ ▪ bird (chicken)
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Recognise that words are made up of sounds Recognise and name some letters of the	• Sound game, e.g. teacher says a sentence and sound out one of the words in the sentence. Learners identify the word. (B-e-n eats a sweet) • Teach the consonant digraph, e.g. 'sh-' at the beginning of a word (<i>shoe, shop,</i>

GRADE 3 WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES
		alphabet such as the end sounds in words • Recognise consonant digraphs at the beginning of a word • Build and blend words	<i>Suggested activities:</i> <i>shell, shirt, short, etc.), and at the end of a word (fish, dish, wish, cash, wash, dash)</i> • Teach the consonant digraph 'ch' at the beginning of a word (chop, chin, chap, chair, cheese, etc.)
		READING	
		SHARED READING	
		• Read big books or other enlarged texts as a whole class with teacher	• Answer literal questions based on the texts read using true and false questions • Identify capital letters, full stop and question mark in the reading text • Match pictures and words using puzzles and sounds learnt
		GROUP GUIDED READING	
		• Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	• Read picture books with three short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and question mark) when reading
		INDEPENDENT READING	
		• Read picture books independently	• Read picture books with three short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and question mark) when reading
		HANDWRITING	

GRADE 3 WITH DIFFERENTIATION TERM 2			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Develop fine-motor skills • Develop hand-eye coordination • Form letters correctly on paper • Copy patterns, words and letters • Continue writing learnt words and sentences independently	• Complete patterns • Follow a line to connect one picture to the next • Form numerals 1-30 correctly
		WRITING	
		• Participate in writing activities • Use the present tense • Use prepositions • Build own word bank and personal dictionary	• Write one sentence of own news or shared writing • Compile a list of words • Build own word bank and personal dictionary
Week 6 & 7	Recycling	LISTENING AND SPEAKING	
		• Display attentive listening behaviour • Listen to stories and answer questions • Sequence pictures • Compare and classify information • Participate in discussions • Use language for communication • Learn vocabulary	• Listen to stories, rhymes, poems and songs with interest and acts out part of the story, song or rhyme. • Answer questions about the story. Include closed (literal) questions. Assist learners by giving them a choice of answer or asking True and False questions. • Sequence five pictures of a story • Describe objects in terms of direction, e.g. putting blocks on top of each other, next to each other, etc. and be able to describe the position of the blocks. Start with two blocks and gradually increase the number of blocks, depending on the learners' ability.

GRADE 3 WITH DIFFERENTIATION TERM 2			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			Participate in discussions and builds vocabulary about basic recycling
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		- Recognise that words are made up of sounds Recognise and name some letters of the alphabet such as the end sounds in words - Recognise consonant digraphs at the beginning of a word - Build and blend words	- Sound game, e.g. teacher says a sentence and sound out one of the words in the sentence. Learners identify the word. (Pat sees a c-a-t) - Teach consonant digraph 'th-' at the beginning of a word (<i>thin, thick, this, there, then, etc.</i>) - Teach the consonant digraph at the beginning of a word, e.g. 'wh-' (when, why, where, who, whale, etc.)
		READING	
		SHARED READING	
		Read big books or other enlarged texts as a whole class with teacher	- Answer questions based on the texts read, e.g. Who? Where? When? Answer 'True/False' questions - Discuss capital letters, full stop and question mark in the reading text
		GROUP GUIDED READING	
		Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on	- Read picture books with three short sentences where words are repeated - Identify sight words and high frequency words - Answer questions

GRADE 3 WITH DIFFERENTIATION TERM 2			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		track.	Show an understanding of punctuation (full stop, comma, and question mark) when reading
		INDEPENDENT READING	
		Read picture books independently	- Read picture books with three short sentences where words are repeated - Show an understanding of punctuation (full stop, comma, and question mark) when reading
		HANDWRITING	
		- Develop fine-motor skills - Develop hand-eye coordination - Form letters correctly on paper - Copy patterns, words and letters - Continue writing learnt words and sentences independently	- Complete patterns. - Join dotted lines - Trace letters using correct starting point and direction for letter formation. - Connect pictures by following a set path. - Practice foreground/background: Colour parts of a picture according to the teacher's instruction to identify a picture. - Form numerals 1-30 correctly
		WRITING	
		- Participate in writing activities - Use the present tense - Use prepositions - Build own word bank and personal dictionary	- Compile a list of words - Write and illustrate a short sentence on a topic - Build own word bank and personal dictionary
Week 8-9	Keeping	LISTENING AND SPEAKING	

GRADE 3 WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
	my body safe	• Display listening behaviour • Listen to stories and answer questions • Identify parts of a whole • Use language for communication • Participate in discussions • Learn vocabulary	• Listen to stories and discuss the characters • Answer questions and asks questions related to stories told and read, e.g. ask learners about detail in the story and to qualify the detail (is the story about a dog or a cat? How many...?) • Identify part from the whole, e.g. the different parts of my body • <u>Participate in discussions:</u> (Builds vocabulary pertaining to the topic) ○ identify what first aid is ○ identify basic first aid practices such as nose bleeds, animal bites, cuts and burns ○ identify basic health and hygiene like not touching other people's blood ○ distinguish between good and bad intentions ○ name rules to keep my body safe ○ understand 'Yes and No' feelings ○ tell how to report abuse
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Recognise that words are made up of sounds Recognise and name some letters of the alphabet such as the end sounds in words • Recognise consonant digraphs at the	• Sound game, e.g. teacher says a sentence and sound out one of the words in the sentence. Learners identify the word. (Joan catches a b-i-g- fish) • Revise all the consonant digraphs at the beginning of words (sh-; ch-; th-; wh-)

GRADE 3 WITH DIFFERENTIATION TERM 2			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		beginning of a word	
		READING:	
		SHARED READING	
		Read big books or other enlarged texts as a whole class with teacher	- Answer questions based on the texts read by answering 'True/False' questions. - Discuss capital letters, full stop and question mark in the reading text - Select the correct word out of two words to match a picture.
		GROUP GUIDED READING	
		Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	- Read picture books with three short sentences where words are repeated - Answer questions - Recognise sight words and high frequency words - Show an understanding of punctuation (full stop comma, and question mark) when reading
		INDEPENDENT READING	
		Read picture books independently	- Read picture books with three short sentences where words are repeated - Show an understanding of punctuation when reading
		HANDWRITING:	
		- Develop fine-motor skills - Develop hand-eye coordination - Form letters and numerals - Write words and sentences	- Do finger exercises and finger rhymes - Complete patterns - Trace the lines - Form lower case letters correctly on paper - Copy patterns, words and letters - Write learnt words and sentences independently

GRADE 3 WITH DIFFERENTIATION TERM 2			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			Form numerals 1-30 correctly
		WRITING	
		- Participate in writing activities - Use the present tense - Use prepositions - Build own word bank and personal dictionary	- Compile a list of words, e.g. shopping list - Write and illustrate a caption or short sentence on a topic - Build own word bank and personal dictionary

SUGGESTED ASSESSMENT GOALS

LISTENING AND SPEAKING

- Listen to stories with interest and identify the main idea of the story
- Answer closed questions
- Sequence five pictures of a story communicating through retelling the sequence of ideas
- Talk about pictures in posters, topic charts, books etc.
- Discuss opposites
- Describe objects in terms of colour and size using correct vocabulary

PHONOLOGICAL AWARENESS AND PHONICS

- Recognise and name some letters of the alphabet such as end sounds in words
- Recognise letter-sound relationship of single sounds
- Identify rhyming words in well-known rhymes and songs
- Recognise consonant digraphs at the beginning of a word

WRITING

- Write one sentence of own news or shared writing
- Compile a list of words

SUGGESTED ASSESSMENT GOALS

SHARED READING

- Predict what the story is about from the title
- Describe setting/context in the story and give opinions
- Answer questions that require a simple 'Yes/ No' answer
- Read high frequency words and common sight words
- Identify capital letters, full stop and question mark in the reading text
- Match pictures and words using puzzles and sounds learnt

INDEPENDENT READING

- Read picture books with three short sentences where words are repeated
- Show an understanding of punctuation (full stop, comma and question mark) when reading

GROUP GUIDED READING

- Read picture books with three short sentences where words are repeated

HANDWRITING

- Form letters correctly on paper
- Copy patterns, words and letters
- Form numerals 1-30 correctly

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 1 & 2	Public safety	LISTENING AND SPEAKING	
		• Display listening behaviour • Listen to stories and answer questions • Compare and classify information • Participate in discussions • Learn vocabulary	• Listen to stories and discuss the characters • Join in the choruses of songs, stories, rhymes • Ask questions related to stories told and read • Identify the picture that does not belong in a set of pictures. Name the set. • <u>Participate in discussions:</u> ○ indicate dangerous places to play ○ know rules when using public transport ○ what is electricity? ○ indicate dangers of electricity ○ point out poisonous and inflammable substances ○ recognise signs that warn us of danger
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Recognise consonant digraphs at the beginning of words • Recognise medial sounds in words	• Revise consonant digraphs at the beginning of words (sh-; ch-; th-; wh-)
		READING:	
		SHARED READING	
		• Read big books or other enlarged texts as a whole class with teacher	• Answer questions based on the texts read that require a 'Yes/No' or 'True/ False' answer.

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			- Express an opinion about the text - Discuss capital letters, full stop and question mark in the reading text
		GROUP GUIDED READING	
		Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	- Read picture books with three short sentences where words are repeated - Answer questions - Recognise familiar words - Apply decoding skills - Show an understanding of punctuation (full stop, comma, and question mark) when reading
		INDEPENDENT READING	
		Read picture books independently	- Read picture books with three short sentences where words are repeated - Show an understanding of punctuation (full stop, comma and questions mark) when reading - Use decoding skills when reading - Read with increasing fluency - Read with comprehension - Pay attention to correct pronunciation of words
		HANDWRITING:	
		- Develop fine-motor skills - Develop eye-hand coordination - Form letters and numerals correctly on paper	- Develop perceptual skills during creative art activities, e.g. painting, constructing, using play dough, etc. Letters and words can be built with modelling clay. - Revise lower case letters and upper case letters that have been taught, e.g. learners match the lower case letter with the correct upper case letter.

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		Write words and sentences	- Copy patterns, words and letters - Write words with correct spacing and letter size - Continue writing learnt words and sentences independently
		<u>WRITING</u>	
		- Participate in writing activities - Use the present tense - Use prepositions - Build own word bank and personal dictionary	- Write two short sentences of own news or shared writing - Make a simple list, e.g. dangerous substances - Build own word bank and personal dictionary
Week 3, 4 & 5	Pollution	<u>LISTENING AND SPEAKING</u>	
		- Display listening behaviour - Use language to perform - Listen to stories and answer questions - Sequence pictures - Compare and classify information - Participate in discussions - Learn vocabulary	- Listen to stories. Repeat the story with an incorrect ending. Learners correct the ending/think of a different ending. - Role play different situations, using appropriate language - Sequence five pictures of a story and matches captions with the pictures - Ask questions related to stories told and read - Foreground/background: find certain items in a picture. <u>Participate in discussions:</u> - indicate what pollution is - name different types – water, land and air - explain effects of pollution on people

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			○ explain effects of pollution on the environment
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Recognise consonant digraphs at the end of words • Recognise medial sounds in words	• Revise consonant digraphs at the end of words, e.g. –sh (wish, fish, dish, cash, mash). • Teach consonant digraphs at the end of words, e.g. –ch (church; much; etc.)
		READING:	
		SHARED READING	
		• Read big books or other enlarged texts as a whole class with teacher	• Answer questions based on the texts read that require a 'Yes/No' or 'True/False' answer.
		GROUP GUIDED READING	
		• Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	• Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop comma, and question mark) when reading
		INDEPENDENT READING	
		• Read picture books independently	• Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop comma, and question mark) when reading
		HANDWRITING	

GRADE 3 WITH DIFFERENTIATION TERM 3

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Develop fine-motor skills • Develop hand-eye coordination • Form letters and numerals correctly on paper • Write words and sentences	• Form letters and numerals in different media, e.g. sand, flour, on bubble wrap, jelly, etc. • Complete patterns • Join dotted lines. • Copy patterns, words and letters • Write words with correct spacing and letter size • Continue writing learnt words and sentences independently • Form numerals 1-40 correctly
		WRITING	
		• Participate in writing activities • Use the future tense • Use prepositions • Build own word bank and personal dictionary	• Write an expressive text, e.g. a simple birthday card • Write at least two sentences • Use capital letters, full stops and question marks • Use prepositions • Build own word bank and personal dictionary
Week 6 & 7	Space	LISTENING AND SPEAKING	
		• Display listening behaviour • Listen to stories, answer and ask questions • Compare and classify information • Use language for communication • Use language to understand concepts • Participate in discussions	• Understand the basis of exchanging of ideas • Listen for detail in stories and answer open-ended and simple closed questions with assistance. Teacher can provide different answer and the learners choose the correct answer. • Answer and ask questions related to stories told and read • Identify similarities and differences, e.g. provide the learners with different items/pictures. Learners sort the items/cards and match the items that belong

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		Learn vocabulary	- together, e.g. different flowers/animals/dogs. They describe the collections using correct vocabulary. - Participate in discussions: - indicate earth from space (what it looks like) - identify stars and planets (what they look like) - space travel
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		- Recognise consonant digraphs at the end of words - Build and blend words - Recognise medial sounds in words	- Teach consonant digraph at the end of words, e.g. ‘-th’ (<i>with; teeth; tooth; both; length; month</i>) - Revise all the consonant digraphs at the end of words. - Teach the vowel digraph –ai- (<i>train, pain, chain, main, drain, brain, wait, sail, tail, rain</i>)
		READING:	
		SHARED READING	
		Read big books or other enlarged texts as a whole class with teacher	- Identify the sequence of events of the story - Answer questions based on the texts read that require a ‘Yes/No’ or ‘True/False’ answer. - Interpret information from posters, picture and simple tables, e.g. calendars (answering simple questions about the calendar). - Match pictures and words that belong together
GROUP GUIDED READING			

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	- Read picture books with three to four short sentences where words are repeated - Show an understanding of punctuation (full stop comma, and question mark) when reading - Read with increasing fluency - Recognise familiar words - Apply word attack skills
		INDEPENDENT READING	
		Read picture books independently	- Read picture books with three to four short sentences where words are repeated - Show an understanding of punctuation (full stop comma, and question mark) when reading - Pay attention to correct pronunciation of words - Read with increasing fluency
		HANDWRITING:	
		- Develop fine-motor skills - Develop hand-eye coordination - Form letters and numerals correctly on paper - Write words and sentences	- Fine motor skills, e.g. cutting, tearing, threading, tying shoelaces, etc. - Complete patterns - Join pictures by following a set path. - Join the letters of the alphabet to form a picture - Copy patterns, words and letters - Write words with correct spacing and letter size - Continue writing learnt words and sentences independently - Form numerals 1-40 correctly
		WRITING	

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Participate in writing activities • Use the future tense • Use prepositions • Build own word bank and personal dictionary	• Write at least two sentences, e.g. about a picture • Complete sentences using a frame, e.g. My name is ____. • Write an expressive text, e.g. a simple thank you card • Begin to use capital letters and full stops • Use present tense • Use prepositions • Build own word bank and personal dictionary
Week 8 & 9	Fruit and vegetables	LISTENING AND SPEAKING	
		• Display attentive listening behaviour • Listen to stories, answer and ask questions • Use language to perform • Sequence pictures • Use language for communication • Participate in discussions • Learn vocabulary	• Name an object as well as his description ("Red apple") • Listen for detail in stories, e.g. read/tell an incomplete story. Ask learners to complete the story. • Answer questions • Say poems/rhymes and does the actions/join in the choruses • Provide pictures of a story and learners sequence the pictures. More able learners can retell the story. • <u>Participate in discussions:</u> ○ identify and name fruit ○ identify and name vegetables ○ understand why we have to eat healthy ○ know how to prepare vegetables and fruit before eating them ○ say how to preserve and store them safely ○ clean up where you worked

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Recognise consonant digraphs at the end of words • Recognise vowel digraphs • Identify plurals (-s) • Recognise medial sounds in words	• Revise consonant digraph at the end of words, e.g. '-th' (with; teeth; tooth; both; length; month) • Revise all the consonant digraphs at the end of words. • Revise the vowel digraph –ai- • Teach plurals using pictures and word cards, e.g. pear – pears; bean – beans; etc.
		READING:	
		SHARED READING	
		• Read big books or other enlarged texts as a whole class with teacher	• Identify the sequence of events of the story • Answer questions based on the texts read that require a 'Yes/No' or 'True/False' answer. • Interpret information from posters , picture and simple tables, e.g. calendars • Match pictures and words using puzzles
		GROUP GUIDED READING	
		• Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track	• Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and questions mark) when reading • Read with increasing fluency • Answer questions • Recognise familiar words • Apply decoding skills with unfamiliar words

GRADE 3 WITH DIFFERENTIATION TERM 3			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		INDEPENDENT READING	
		• Read picture books independently	• Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and questions mark) when reading • Read with comprehension • Pay attention to correct pronunciation of words • Read with increasing fluency
		HANDWRITING	
		• Develop fine-motor skills • Develop hand-eye coordination • Form letters and numerals correctly on paper • Write words and sentences	• Finger exercises and finger rhymes • Join the letters of the alphabet to form a picture. • Copy patterns, words and letters • Write words with correct spacing and letter size • Continue writing learnt words and sentences independently • Form numerals 1-40 correctly
		WRITING	
		• Participate in writing activities • Use punctuation • Use prepositions • Use present tense • Build own word bank and personal dictionary	• Write at least two sentences • Use capital letters, full stops, question marks. • Use prepositions • Use present tense. • Build own word bank and personal dictionary

GRADE 3 TERM 3

Week 10: Assessment

SUGGESTED ASSESSMENT GOALS

LISTENING AND SPEAKING

- Listen to stories and discuss the characters
- Join in the choruses of songs, stories, rhymes
- Ask questions related to stories told and read
- Identify the picture that does not belong in a set of pictures
- Role play different situations, using appropriate language
- Sequence pictures of a story and matches captions with the pictures

PHONOLOGICAL AWARENESS AND PHONICS

- Recognise consonant digraphs at the beginning of words
- Recognise consonant digraphs at the end of words
- Recognise vowel digraph –ai–
- Recognise medial sounds in words

SHARED READING

- Identify the sequence of events of the story
- Answer questions based on the texts read that require a 'Yes/No' or 'True/False' answer
- Match pictures and words that belong together

SUGGESTED ASSESSMENT GOALS

GROUP GUIDED READING

- Read picture books with three to four short sentences where words are repeated
- Answer questions
- Recognise familiar words
- Apply decoding skills
- Show an understanding of punctuation (full stop, comma, questionmark) when reading

HANDWRITING

- Copy patterns, words and letters
- Write words with correct spacing and letter size
- Join the letters of the alphabet to form a picture
- Form numerals 1-40 correctly

WRITING

- Write two sentences of own news or shared writing
- Write and illustrates a caption or short sentence on a topic
- Make a simple list
- Begin to use capital letters and full stops

INDEPENDENT READING

- Read picture books with three short sentences where words are repeated
- Show an understanding of punctuation when reading
- Use decoding skills when reading
- Read with increasing fluency
- Read with comprehension
- Pay attention to correct pronunciation of words

- Use prepositions

GRADE 3 WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 1-3	Products and processes	LISTENING AND SPEAKING	
		• Display listening behaviour • Listen to stories, answer and ask questions • Compare and classify information • Use language to understand concepts • Use language for communication • Participate in discussions • Learn vocabulary	• Listen for detail in stories and answer questions • Identify similarities and differences • <u>Participate in discussions:</u> ○ identify 5 items that we get from plants ○ identify 5 items that we get from earth ○ identify 5 items that we get from animals ○ discuss : from plants – process –from cane to sugar ○ discuss : from earth – process – from clay to brick ○ Know where money comes from and how it is used.
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Recognise consonant digraphs at the end of words • Revise vowel digraph –ai- • Identify plurals (-s) • Revise beginning, middle and end sounds in words	• Revise consonant digraph at the end of words, e.g. ‘-th’ (with; teeth; tooth; both; length; month) • Revise all the consonant digraphs at the end of words. • Build words with vowel digraph –ai-. • Teach plurals using pictures and word cards.
		READING:	
		SHARED READING	
		• Read big books or other enlarged texts as a whole class with teacher	• Identify the sequence of events of the story • Answer questions based on the texts read that require a ‘Yes/No’ or ‘True/False’

GRADE 3 WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			answer. • Interpret information from posters , picture and simple tables, e.g. calendars • Match captions to pictures
		GROUP GUIDED READING	
		• Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	• Read with increasing fluency • Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and questions mark) when reading
		INDEPENDENT READING	
		• Read picture books independently	• Read with comprehension • Pay attention to correct pronunciation of words • Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and questions mark) when reading
		HANDWRITING	
		• Develop fine-motor skills • Develop hand-eye coordination • Form letters and numerals correctly • Write words and sentences	• Connect pictures by following a set path. • Cut and paste pictures • Form letters and numerals correctly on paper • Copy patterns, words and letters • Write words with correct spacing and letter size • Continue writing learnt words and sentences independently • Form numerals 1-50 correctly

GRADE 3 WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		WRITING	
		• Participate in writing activities • Use plurals using pictures and word cards • Use past tense • Use capital letters, comma and full stops • Use prepositions • Build own word bank and personal dictionary	• Write three sentences about a picture. • Compile lists, e.g. fruit/vegetables/products
Week 4-5	Creatures and animals that can help us	LISTENING AND SPEAKING	
		• Display listening behaviour • Listen to stories, answer and ask questions • Express feelings about the story • Use language to understand concepts • Compare and classifies information • Use language for communication • Participate in discussions • Learn vocabulary	• Participate in action dialogues • Listen to stories and express feelings about the story • Answer and ask questions related to stories told and read • Listen, enjoy and responds to pictures and word puzzles, e.g. matching pictures and captions; solving jig-saw puzzles • Use simple strategies for finding information, e.g. complete a simple survey on how many learners have pets. • Classify information, e.g. using the results from the survey; determine how many friends have dogs/cats/birds/etc. • <u>Participate in discussions:</u> ○ use pictures to match animals and the products they give us: ○ food (goats and cows give milk and beef, chickens give eggs and chicken meat, bees give us honey)

GRADE 3 WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			- o clothes (sheep give us wool, cows give us leather) - o identify animals that work for us: ▪ dogs as guide dogs, watch dogs, sniffer dogs ▪ donkeys and horses as draught animals or for transport ▪ cows to pull ploughs and make fertilizer for the soil ▪ bees and butterflies that help plants to grow – pollination and earthworms that help make compost. - o Listen to / read/ tell stories about other animals like dolphins that helped people
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Recognise vowel digraphs –ee, oo • Identify plurals (-s and -es) • Revise beginning, middle and end sounds in words	• Teach the vowel digraphs –oi- (<i>coin, boil, soil, foil, oil</i>) . Learners can find letters in magazines, newspapers or other printed text , cut it out and make a collage or sound booklet using the words they built. • Use pictures and word cards to teach plurals of words, e.g. animal – animals; cat –cats; dog – dogs; match – matches; fox – foxes; etc.
		READING:	
		SHARED READING	
		• Read big books or other enlarged texts as a whole class with teacher	• Answer questions based on the texts read that require a 'Yes/No' or 'True/False' answer.
		GROUP GUIDED READING	
		• Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	• Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and questions mark) when reading

GRADE 3 WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			• Use decoding skills when reading • Read with increasing fluency
		INDEPENDENT READING	
		• Read picture books independently	• Recognise letters and syllables within a word • Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and questions mark) when reading • Use decoding skills when reading • Read with comprehension • Pay attention to correct pronunciation of words
		HANDWRITING	
		• Develop fine-motor skills • Develop hand-eye coordination • Form letters and numerals correctly • Write words and sentences	• Complete patterns • Join the dots • Form letters and numerals correctly on paper • Copy patterns, words and letters • Write words with correct spacing and letter size • Continue writing learnt words and sentences independently • Form numerals 1-50 correctly
		WRITING	
		• Participate in writing activities • Form plurals of familiar words • Use prepositions and pronouns	• Write at least three sentences

GRADE 3 WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Use future tense • Build own word bank and personal dictionary	
Week 6 & 7	World of work –	LISTENING AND SPEAKING	
		• Use language to relate stories • Listen to a text, answer and ask questions • Compare and classifies information • Display listening behavior • Participate in discussions • Learn vocabulary	• Tell a familiar story which has a beginning, middle and end • Answer and ask questions related to stories told and read • Use simple strategies for finding information, e.g. complete a simple graph on vegetables. Cut pictures and paste onto graph. How many of each vegetable is there? • Follow instructions, e.g. provide a picture and learners have to draw items according to the teacher's instruction. • <u>Participate in discussions:</u> ○ explore different jobs at school ○ explore different jobs in the local community ○ identify different skills that the career require • Identify likes and dislikes of different careers
		PHONOLOGICAL/PHONEMIC AWARENESS/PHONICS	
		• Recognise vowel digraphs oa • Recognise common endings in words (-ed) • Revise beginning, middle and end sounds in words	• Teach the vowel digraph <i>oa</i> (<i>boat, goat, float, coat, foal, goal, road, toad, soap</i>) • Use pictures and word cards to teach plurals of words, e.g. dish – dishes; box – boxes; job – jobs; chair – chairs; etc.) • Teach words ending on –ed, e.g. watch – watched; paint – painted, etc. This activity can be linked to the teaching of past tense.
		READING:	

GRADE 3 WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		SHARED READING	
		• Read big books or other enlarged texts as a whole class with teacher	• Answer questions based on the texts read that require a 'Yes/No' or 'True/False' answer. • Use clues in the pictures for understanding. • Identify the sequence of events in the story.
		GROUP GUIDED READING	
		• Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	• Read picture books with three to four short sentences where words are repeated • Show an understanding of punctuation (full stop, comma and questions mark) when reading • Use decoding skills when reading • Read with increasing fluency
		INDEPENDENT READING	
		• Read picture books independently	• Read with comprehension • Pay attention to correct pronunciation of words • Read with increasing fluency and speed
		HANDWRITING	
		• Develop fine-motor skills • Develop hand-eye coordination • Form letters and numerals correctly • Write words and sentences	• Join dotted lines. • Complete patterns • Connect two pictures by following the lines. • Holds pencil and crayon correctly • Rewrite/copy sentences. • Form letters and numerals correctly on paper

GRADE 3 WITH DIFFERENTIATION TERM 4

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			• Copy patterns, words and letters • Write words and sentences with correct spacing and letter size • Continue writing learnt words and sentences independently
		WRITING	
		• Participate in writing activities • Form plurals of familiar words • Use present, past and future tense. • Use prepositions and pronouns • Build own word bank and personal dictionary	• Write at least three sentences • Label a simple picture where the labels are provided and learners have to select the correct label for the picture. • Complete sentences and include the full stop.
		LISTENING AND SPEAKING	
Week 8 & 9	I can be an entrepreneur	• Display listening behaviour • Listen to a text, answer and ask questions • Use language to relate stories • Use language for communication • Participate in discussions • Learn vocabulary	• Listen to a familiar story. Teacher asks simple riddles about the story, e.g. 'Who has a red dress in the story?' • Answer and ask questions related to stories told and read • Tell a familiar story which has a beginning, middle and end • <u>Participate in discussions:</u> ○ see an opportunity to make money for themselves ○ make a plan on to how to make money ○ make and sell a product - receive money for it
		PHONOLOGICAL/PHONEMIC AWARENESS /PHONICS	
		• Revise vowel digraphs that have been taught	• Revise all the vowel digraphs that have been taught. • Use pictures and word cards to teach plurals of words, e.g. dish – dishes; box

GRADE 3 WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		- Recognise common endings in words (-ed; -ing) - Revise beginning, middle and end sounds in words	– boxes; job – jobs; chair – chairs; etc.) - Teach words ending on –ed, e.g. watch – watched; paint – painted, etc. This activity can be linked to the teaching of past tense. - Teach words ending on –ing, e.g. watching; painting; etc. Link with progressive tense.
		READING:	
		SHARED READING	
		Read big books or other enlarged texts as a whole class with teacher	- Answer questions based on the texts read that require a 'Yes/No' or 'True/False' answer. - Use clues in the pictures for understanding. - Identify the sequence of events in the story.
		GROUP GUIDED READING	
		Read books at their own level focusing on skills involved in group reading such as turn-taking, following, remaining on track.	- Read picture books with three to four short sentences - Show an understanding of punctuation (full stop, comma and questions mark) when reading - Use decoding skills when reading - Read with increasing fluency
		INDEPENDENT READING	
		Read picture books independently	- Read picture books with three to four short sentences - Show an understanding of punctuation (full stop, comma and questions mark) when reading - Use decoding skills when reading - Read with increasing fluency

GRADE 3 WITH DIFFERENTIATION TERM 4

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			• Read with comprehension • Pays attention to correct pronunciation of words
		HANDWRITING	
		• Develop fine-motor skills • Develop hand-eye coordination • Form letters and numerals correctly on paper • Copy patterns, words and letters • Continue writing learnt words and sentences independently with correct spacing and letter size	• Form numerals 1-50 correctly
		WRITING	
		• Participate in writing activities • Use prepositions and pronouns • Form plurals of familiar words • Build own word bank and personal dictionary	• Write at least three sentences

SUGGESTED ASSESSMENT GOALS

LISTENING AND SPEAKING

- Listen for detail in stories and answer questions
- Identify similarities and differences
- Answer and ask questions related to stories told and read
- Listen, enjoy and responds to pictures and word puzzles, e.g. matching pictures and captions; solving jig-saw puzzles
- Use simple strategies for finding information
- Classify information, e.g. using the results from the survey
- Interpret information from a calendar

PHONOLOGICAL AWARENESS AND PHONICS

- Identify plurals (-s and -es)
- Recognise common endings in words (-ed; -ing)
- Revise beginning, middle and end sounds in words
- Build and blend words with the vowel digraphs that had been taught

SHARED READING

- Identify the sequence of events of the story
- Answer questions based on the texts read that require a 'Yes/No' or 'True/False' answer

INDEPENDENT READING

SUGGESTED ASSESSMENT GOALS

GROUP GUIDED READING

- Read with increasing fluency
- Read picture books with three to four short sentences where words are repeated
- Show an understanding of punctuation (full stop, comma, question mark) when reading

HANDWRITING

- Cut and paste pictures
- Form letters and numerals (1-50) correctly on paper
- Copy patterns, words and letters
- Write words and sentences with correct spacing and letter size

WRITING

- Write three sentences about a picture.
- Use past tense
- Use future tense.
- Use capital letters, comma and full stops
- Form plurals of familiar words using pictures
- Use prepositions and pronouns

- | | |
|--|--|
| <ul style="list-style-type: none">• Read with comprehension• Pay attention to correct pronunciation of words• Read picture books with three to four short sentences where words are repeated• Recognise letters and syllables within a word | |
|--|--|

3.3 Teaching Suggested assessment goals GROUP GUIDED READING

- Read aloud from own book
- Read different genres
- Read known and unknown words

INDEPENDENT READING

- Read short stories independently
- Read to friends and teacher.
- Read with increasing fluency and speed using correct pronunciation

- Read a variety of texts with comprehension

HANDWRITING:

- Form letters and words correctly
- Maintain uniformity and alignment

WRITING

- Use information from a graph to complete/write a short text.
- Write own news using the past tense
