

**ANNUAL TEACHING PLAN FOR LEARNING PROGRAMME FOR
LEARNERS WITH PROFOUND INTELLECTUAL DISABILITY**

THEME: ME AND MY ENVIRONMENT

AIM: To create a learning environment in which the 3 subjects of the Learning Programme are used, in an integrated manner, to develop learners' awareness regarding themselves and their environment, including:

- 1) Awareness of their immediate environment
- 2) My home: structure (different homes), different areas (cooking, washing, toileting, sleeping)
- 3) Things I do in my home (e.g. play, feed animals, watch TV, listen to radio, do chores etc)
- 4) Daily routines in my home and class
- 5) My family members and friends
- 6) My classroom
- 7) My teacher/ caregiver and friends

RESOURCES RELATED TO THE THEME:

Age-appropriate resources, relevant to the theme and functioning group, from the following kits: Department of Basic Education (DBE) Grade R resources, gross motor, fine motor and communication toolkits, 3D objects (e.g. culturally and gender relevant dolls; simple, relevant stories and these include stories made by the team members and caregivers; photographs pertaining to the topics, songs, CD players, DVD players with age appropriate stories and photographs related to the theme and topics, cause and effect toys, recyclable material for arts.

LANGUAGE AND COMMUNICATION		
TERM 1 & 2		
THEME	TOPIC	COMPONENTS/ SKILLS
ME AND MY ENVIRONMENT	ME AND MY HOME	
	Term 1: Outside my Home	
	Term 2: Inside my Home	
	React (or react intermittently) to familiar people and events.	Listening (receptive language)
	Respond consistently to familiar people and events.	Expressive language
	Initiate interactions with familiar people.	
	Actively explore events for more extended periods.	Pre-literacy skills

	Theme related focus areas: • Structure, different homes • Different areas in and around the home • Things I do in my home.

Age-appropriate resources, relevant to the theme and functioning group, from the following kits: Department of Basic Education (DBE) Grade R resources, gross motor, fine motor and communication toolkits, 3D objects (e.g. culturally and gender relevant dolls; simple, relevant stories and these include stories made by the team members and caregivers; photographs pertaining to the topics, songs, CD players, DVD players with age appropriate stories and photographs related to the theme and topics, cause and effect toys, recyclable material for arts.

MATHEMATICS		
TERM 1 & 2		
THEME	TOPIC	COMPONENTS/ SKILLS
ME AND MY ENVIRONMENT	ME AND MY HOME Term 1: Outside my Home Term 2: Inside my Home Show momentary awareness (or begin to show interest) to 3D objects. Show consistent preference to objects they are exposed to daily. Shared exploration of objects colour, shape, orientation, and quantity. Correct usage of basic, 3D objects. Match/ identify/ name basic 3D objects. Sort basic 3D objects into different categories. Show momentary awareness (or begin to show interest) to 3D objects. Respond consistently to familiar events within the daily routine. Seek attention to request a regular event in a daily routine. Anticipate, follow, and join in familiar activities. Answer using words or gestures when asked about passed events, the learner was involved in. Theme related focus areas: • Structure, different homes • Different areas in and around the home • Things I do in my home.	Space and shape: Recognize, identify and/ or name basic 3D objects Measurement: Orientation to time and daily routines

LIFESKILLS		
TERM 1 & 2		
THEME	TOPIC	COMPONENTS/ SKILLS
ME AND MY ENVIRONMENT	ME AND MY HOME Term 1: Outside my Home Term 2: Inside my Home Show awareness (or momentary awareness) with regards to themselves & familiar people during selfcare activities. Show consistent responses during the same selfcare activity. Explore items used during selfcare activities. Match/ identify/ name items used during selfcare activities. Follow 1 step (or more) instructions. _____ Show momentary awareness during experiences that involves moving the body through space. Show consistent responses to specific activities that require balance and coordination. Remember learnt responses within the same day. Copy and repeat simple single actions. Perform and increase range of actions related to balance and coordination. _____ Show momentary awareness to familiar people experiences or objects. Shared exploration of textured art materials Explores materials with increasing complexity.	Personal-Social Well being (PSW): Feeding Personal-Social Well being (PSW): Toileting Personal-Social Well being (PSW): Personal Care Physical Education (PE): Balance and coordination Creative Arts (CA): Visual Arts

LIFESKILLS		
	Make marks intentionally on surfaces and repeat the action for a similar effect. Apply familiar techniques to create an art product. Theme related focus areas: • Structure, different homes • Different areas in and around the home • Things I do in my home.	

LANGUAGE AND COMMUNICATION		
TERM 3 & 4		
THEME	TOPIC	COMPONENTS/ SKILLS
ME AND MY ENVIRONMENT	TERM 3: Me and my family TERM 4: My class and my friends	
	React (or react intermittently) to familiar people and events. Respond consistently to familiar people and events. Initiate interactions with familiar people. Actively explore events for more extended periods. Theme related focus areas: • My different family members and their roles • My teacher/ caregiver and friends • Different areas in the SCC • Daily class routines (e.g., morning ring, snack time, story time).	Listening (receptive language) Expressive language Pre-literacy skills
