ANNUAL TEACHING PLAN ENGLISH HOME LANGUAGE GRADE R- YEAR 1-3

GRADE R WITH DIFFERENTIATION TERM 1

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 1-2 2hrs per day	Me and my school	Listening and Speaking (oral) (Communication)	
		• Respond to verbal stimuli listen and react • Roll eye and move them in an expressive way • Use gestures to communicate • Follow instructions • Listen to and repeat rhythmic patterns e.g.: clap , clap clap, clap • Recognise and point out common objects in classroom especially to belongings • Use visual and pictorial cues to make meaning • Sing and recite simple songs and rhymes • Point to and name parts of the body • Listen and respond to own name	• Look at person who is speaking • Turn head towards sounds • Look at speaker and begin to make eye contact • Follow a moving object with the eyes • Point to objects with pointing finger • Pay attention, makes eye contact reacts to verbal stimuli, listen to questions and respond verbally • Follow simple classroom instructions • Follow 2 simple oral instructions • Talk about pictures in books, magazine and newspapers etc. • Know/remember personal detail - my name, my picture or symbol, my family, class, transport • Know name of school and the teacher • Know play areas • Know toilets location and routine of toilet activity
		Phonics (Emergent symbolism)	
		• Identify familiar symbols and signs in the environment : e.g. KFC; Coca Cola, STOP; classroom symbols	• Realise that signs / symbols are means of communication • Introduce the learners to card indicators with pictures and words e.g. break time , toilet routine, morning ring

GRADE R WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			time
		Reading and Viewing	
		• Introduce picture books to learners • “READ” Picture books, newspapers and magazines • Recognise class teacher and friends by name • Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	• Use classroom rules with picture symbols • Identify/“READ” Male and Female signs for the toilets • Talk about the illustrations in the picture books • Find an image object in a picture • Point /gestures to objects in the class environment
		Writing / Pre – handwriting	
		• Colour in a picture • Develop fine motor muscles through finger play (play dough, screws nuts and bolts, pegs and peg boards, blocks) • Exchange hands : holds object in each hand • Develop eye hand coordination	• Develop eye–hand coordination through play e.g. throwing and catching balls
Week 3-4 2hrs per day	Me and my body	Listening and Speaking (oral) (Communication)	
		• Listen to verbal stimuli and react appropriately • Follow instructions with support • Listen to and repeat rhythmic patterns e.g. : clap , clap clap, clap - include body percussions • Use visual and pictorial cues to make meaning • Sing and recite simple songs and rhymes	• Look at person who is speaking • Turn head towards sounds • Look at speaker and begin to make eye contact • Follow a moving object with the eyes • Point to objects with pointing finger • Pay attention , makes eye contact reacts to verbal

GRADE R WITH DIFFERENTIATION TERM 1

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Point to and name parts of the body and objects in class room • Listen and respond to own name and teacher's name • Roll eyes and move them in an expressive way • Respond to simple greetings and farewells	- stimuli , listen to questions and respond verbally • Follow simple classroom instructions • Follow 2 simple oral instructions • Listen to speaker without interrupting • Recognise and point out common objects in pictures • Talk about pictures in books, magazine and newspapers etc. • Use gestures to express emotions • Repeat greetings when modeled by teacher : e.g. say good morning
		Phonics	
		• Identify familiar symbols and signs in the environment : e.g. KFC; Coca Cola , STOP • Introduce the letter sound at the beginning of their own name • Recognise own name with special symbol	• Realise that signs / symbols are means of communication • Introduce the name cards of learners in class: Print the learner's name on the chosen shape/symbol and tape the shape to the learner's clothing to make a name tag. Have the learners wear their tags throughout the first few days of school as a reminder of the learners' names.
		Reading and Viewing	
		• "READ" Picture books, newspapers and magazines • Use visual and pictorial cues to make meaning • Recognise family members, class teacher and friends by	• Use classroom rules with picture symbols • Label Male and Female signs for the toilets • Tell stories about the picture

GRADE R WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		name • Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	• Talk about the illustrations in the picture books • Find an image object in a picture • Point /gestures to objects in the class environment
		Writing / Pre – handwriting	
		• Colour in a picture • Develop fine motor muscles through finger play (play dough, screws nuts and bolts, pegs and peg boards, blocks, tearing of waste paper) • Exchange hands: holds object in each hand • Develop eye hand coordination	• Develop eye–hand coordination through play e.g. throwing and catching balls
Week 5-6 2hrs per day	Me and my emotions	Listening and Speaking (oral) (Communication)	
		• Listen to verbal stimuli and respond appropriately • Listen to and repeat rhythmic patterns e.g. : clap , clap clap, clap – include body percussions • Sing and recite simple songs and rhymes • Point to and name parts of the body and objects in classroom • Listen and respond to own name and teacher's name • Use visual and pictorial cues to make meaning • Roll eyes and move them in an expressive way • Memorise and pronounce familiar words e.g. songs and names of classmates • Tell stories and retell stories in own words	• Look at person who is speaking • Turn head towards sounds • Look at speaker and begin to make eye contact • Pay attention , makes eye contact reacts to verbal stimuli , listen to questions and respond verbally • Follow simple classroom instructions • Recognise and point out common objects in pictures • Talk about pictures in books, magazine and newspapers etc. • Listen to speaker without interrupting show familiarity with text by repeating songs or stories • Repeat songs or stories.

GRADE R WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		Respond to simple greetings and farewells	- Repeat greetings when modelled by teacher : e.g. say good morning - Use gestures to express emotions
		Phonics	
		- Identify familiar symbols and signs in the environment : e.g. KFC, Coca Cola , STOP - Recognise the letter sound at the beginning of their own name - Recognise own name with special symbol	- Realise that signs / symbols are means of communication - Introduce the name cards of learners in class
		Reading and Viewing	
		"READ" picture books, newspapers and magazines - Use visual and pictorial cues to make meaning - Recognise family members and friends by name - Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	- Say classroom rules with picture symbols - Identify male and female signs for the toilets - Tell stories about the picture - Talk about the illustrations in the picture books - Find an image object in a picture - Point /gestures to objects in the class environment
		Writing / Pre – handwriting	
		- Colour in a picture - Develop fine motor muscles through finger play (play dough, screws nuts and bolts , pegs and peg boards , blocks ,tearing of waste paper) - Exchange hands : holds object in each hand - Develop eye hand coordination	- Develop eye–hand coordination through play e.g. throwing and catching balls - Form letters in sand - Move object on large form letters from the starting to end point

GRADE R WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 7-8 2hrs per day	My first primary colours (Blue, red and yellow) around us	Listening and Speaking (oral) (Communication) • Listen to verbal stimuli and respond appropriately • Listen to and repeat rhythmic patterns e.g.: clap, clap clap, clap – include body percussion. • Sing and recite simple songs and rhymes • Use visual and pictorial cues to make meaning • Point to and name parts of the body and objects in classroom • Listen and respond to own name and teacher's name • Roll eyes and move them in an expressive way • Memorise and pronounce familiar words e.g. songs and names of classmates • Tell stories and retell stories in own words • Respond to simple greetings and farewells	• Look at person who is speaking • Turn head towards sounds • Look at speaker and begin to make eye contact • Pay attention , makes eye contact reacts to verbal stimuli , listen to questions and respond verbally • Follow simple classroom instructions • Recognise and point out common objects in pictures • Talk about pictures in books, magazine and newspapers etc. • Repeat songs or stories. • Point and names body parts • Listen to speaker without interrupting • Use of gestures to express emotions • Repeat greetings when modelled by teacher : e.g. say good morning • Recognise nature's colour for yellow is the sun and fruit like banana and apple. • Recognise nature's colour for blue is the sky and water • Recognise nature's colour for red is flowers and blood and fruit like apple. • Identify colours yellow blue and red in items and

GRADE R WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			objects around us
		Phonics	
		- Identify familiar symbols and signs in the environment : e.g. KFC, Coca Cola , STOP - Recognise the letter sound at the beginning of their own name - Recognise own name with special symbol - Introduce letters in the alphabet (s, a)	- Realise that signs/symbols are means of communication - Introduce the Name cards of learners in class - Use alphabet posters with pictures > s : sand a : apple
		Reading and Viewing	
		"READ" picture books, newspapers and magazines - Use visual and pictorial cues to make meaning - Recognise family members and friends by name - Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	- Use classroom rules with picture symbols - Identify Male and Female signs for the toilets - Tell stories about the picture - Talk about the illustrations in the picture books - Find an image object in a picture - Point /gestures to objects in the class environment and related to topic
		Writing / Pre – handwriting	
		- Colour in a picture - Develop fine motor muscles through finger play (play dough, screws nuts and bolts , pegs and peg boards , blocks ,tearing of waste paper) - Exchange hands : holds object in each hand - Develop eye hand coordination	- Develop eye–hand coordination through play e.g. throwing and catching balls - Form letters in sand - Move an object on large form letters from the starting to end point

GRADE R WITH DIFFERENTIATION TERM 1

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 9-10 2hrs per day	Revision and assessment	Listening and Speaking (oral) (Communication)	
		• Listen to verbal stimuli and respond appropriately • Listen to and repeat rhythmic patterns e.g. : clap , clap clap, clap and use of body percussion • Sing and recite simple songs and rhymes • Use visual and pictorial cues to make meaning • Point to and name parts of the body and objects in class room • Listen and respond to own name and teacher's name • Roll eyes and move them in an expressive way • Memorise and pronounce familiar words e.g. songs and names of classmates • Respond to simple greetings and farewells	• Look at person who is speaking • Turn head towards sounds • Look at speaker and begin to make eye contact • Pay attention , makes eye contact reacts to verbal stimuli , listen to questions and respond verbally • Follow simple classroom instructions • Recognise and point out common objects in pictures • Talk about pictures in books, magazine and newspapers and topic related etc. • Repeat songs or stories. • Point and gestures to and names body parts • Listen to speaker without interrupting • Repeat greetings when modelled by teacher : e.g. say "good morning " • Use gestures to express emotions
		Phonics	
		• Identify familiar symbols and signs in the environment : e.g. KFC; Coca Cola , STOP • Recognise the letter sound at the beginning of their own name • Recognise own name with special symbol • Reinforce letters in the alphabet (s,a)	• Realise that signs / symbols are means of communication • Introduce the name cards of learners in class • Use alphabet posters with pictures > s : sand a : apple

GRADE R WITH DIFFERENTIATION TERM 1			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Recognise own name and at least names of 2 friends • Begin to build on oral vocabulary using topic “my friends” ,”my body” , “my face”	• Identify my face > eyes, nose , mouth , ears, hair
		Reading and Viewing	
		• “READ” picture books, newspapers and magazines • Use visual and pictorial cues to make meaning • Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	• Use classroom rules with picture symbols • Identify Male and Female signs for the toilets • Tell stories about the picture (Topic poster and related pictures) • Talk about the illustrations in the picture books • Find an image object in a picture • Point /gestures to objects in the class environment and related to topic
		Writing / Pre – handwriting	
		• Colour in a picture • Develop fine motor muscles through finger play (play dough , screws nuts and bolts , pegs and peg boards , blocks ,tearing of waste paper) • Exchange hands : holds object in each hand move object from one hand to other • Develop eye hand coordination	• Develop eye –hand coordination through play e.g. throwing and catching balls • Form letters in sand • Moving object on large form letters from the starting to end point

GRADE R WITH DIFFERENTIATION Term 1

Suggestions for assessment:

- First 2 weeks - baseline assessment
- Oral and or practical
- Observation

LISTENING AND SPEAKING :

- Follow instructions
- React to verbal stimuli: listen and react
- Pay attention, makes eye contact
- Recognize sounds in the environment
- Take turns to speak
- Use the language of learning (body parts and actions) in responses
- Identify different parts of the body
- Use body words in own sentences
- Respond to own name
- Listen to simple questions and announcements and respond appropriately
- Identify/name items from topic table
- Listen to and repeat rhythmic patterns e.g. : clap , clap clap, clap - include body percussions

Early Identification and intervention programmes need to be implemented
Support from Speech, Hearing Therapist with oral motor skills and hearing skills.

GRADE R WITH DIFFERENTIATION TERM 1

PHONICS

- “Read” basic words from environment
- Identify the sound at the beginning of their name
- Identify familiar symbols and signs in the environment : e.g. KFC; Coca Cola, STOP; classroom symbols
- Recognise own name and at least names of 2 friends

READING AND VIEWING

- Recognise their own belongings with name tags and picture, e.g. school bag , lunch box
- Recognise classroom objects / Explain what (at least 3)objects is used for
- Recognise their own name in print
- Recognise their own name in print and name of 1 friend
- Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles
- Tell stories about the picture

WRITING PRE WRITING

- Colour in a picture
- Colour in a picture : tearing of paper
- Colour in a picture: use wax crayons and chalk – during:
- free in-door play or creative art activities

Occupational Therapist with extra fine and gross motor skills development.	use of educational aids to develop movement from left to right e.g. pegs on a hard surface , pegs and peg boards
--	---

DRAFT DOCUMENT - NOT FOR PUBLIC DISTRIBUTION

GRADE R WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 1-2 2hrs per day	Senses	Listening and Speaking (oral) (Communication)	
		• Listen and respond to verbal and environmental stimuli • Follow instructions with support • Retell stories using pictures or on their own • Recite poems and rhymes • Use language for communication • Use visual and pictorial cues to make meaning	• Calm down with soothing sounds • Recognise sounds in the environment • Express own feelings • Listen to basic questions /instructions –acts appropriately • Recognise and point out common objects in pictures • Talk about pictures in books , magazine and newspapers etc. • Repeat songs or stories.
		Phonics	
		• Identify different and similar words • Recognise the letter sound at the beginning of their own name • Recognise similarities/differences between sounds • Recognise the “ s,a ” sounds with picture	• Group names of classmates with the same beginning sound • Identify the beginning sound of words, e.g. s – sand a – apple
		Reading and Viewing	
		• Begin to build on oral vocabulary using the topic • Use visual and pictorial cues to make meaning • Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	• Talk about the illustrations in the picture books • Find an image object in a picture/ or on topic table
		Writing / Pre – handwriting	

GRADE R WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Draw pictures /control of large muscles • Develop fine motor muscles through finger play (play dough , threading and stacking and , blocks) • Use scissors to cut out play dough	• Practice writing the “a” letter on different textures with their fingers e.g. : carpet , paint , learners backs , sand , and modelling play dough to form the letter • Practice with scissors on “open cut close”
Week 3-4 2hrs per day	Senses	Listening and Speaking (oral) (Communication)	
		• Listen to stories, songs and rhymes • Recite poems and rhymes • Retell stories using pictures or on their own • Use language for communication • Use visual and pictorial cues to make meaning	• Calm down with soothing sounds • Recognise sounds in the environment • Express own feelings • Listen to basic questions /instructions –acts appropriately • Recognise and point out common objects in pictures • Talk about pictures in books , magazine and newspapers etc. • Sing songs and say nursery rhymes after hearing it repeatedly.
		Phonics	
		• Identify different and similar words • Recognise the letter sound at the beginning of their own name • Recognise similarities/differences between sounds • Recognise the “ a,t ” sounds with picture	• Group names of classmates with the same beginning sound • Identify the beginning sound of words, e.g. apple t - top

GRADE R WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		Reading and Viewing	
		• Begin to build on oral vocabulary using the topic • Use visual and pictorial cues to make meaning • Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	• Talk about the illustrations in the picture books • Find an image object in a picture/ or on topic table
		Writing / Pre – handwriting	
		• Draw pictures /control of large muscles • Develop fine motor muscles through finger play (play dough , threading and stacking and , blocks) • Use scissors to cut out play dough	• Practice writing the “a” letter on different textures with their fingers e.g.: carpet , paint , learners backs , sand , and modelling play dough to form the letter • Practice with scissors on “open cut close”
Week 5 2hrs per day	Healthy eating habits Fruit	Listening and Speaking (oral) (Communication)	
		• Listen and respond to verbal and environmental stimuli and respond appropriately • Listen to stories, songs and rhymes • Retell stories using pictures or on their own • Recite poems and rhymes • Use visual and pictorial cues to make meaning • Use language for communication	• Calm down with soothing sounds • Recognise sounds in the environment • Express own feelings • Listen to basic questions /instructions –acts appropriately • Recognise and point out common objects in pictures • Talk about pictures in books, magazine and newspapers etc. • Recognise a clean eating environment. • Identify plate, cup, knife, fork, spoon

GRADE R WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
			- Discover and identify healthy food - Discover and identify unhealthy food
		Phonics	
		- Identify different and similar words - Recognise the letter sound at the beginning of their own name - Recognise similarities/differences between sounds - Recognise the “ t, p ” sounds with picture	- Group names of classmates with the same beginning sound - Identify beginning sounds of words, e.g. t – top p - pen
		Reading and Viewing	
		- Begin to build on oral vocabulary using the topic - Use visual and pictorial cues to make meaning - Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	- Talk about the illustrations in the picture books - Find an image object in a picture/ or on topic table
Week 6-7	Fruit and Vegetables	Writing / Pre – handwriting	
		- Draw pictures /control of large muscles - Develop fine motor muscles through finger play (play dough , threading and stacking and , blocks) - Use scissors to cut out play dough	- Practice writing the “a” letter on different textures with their fingers e.g. : carpet , paint , learners backs , sand , and modelling play dough to form the letter - Practice on chalk boards thick chalk lines and circles - Practice with scissors on “open cut close”
Week 6-7	Fruit and Vegetables	Listening and Speaking (oral) (Communication)	
		Listen to stories, songs and rhymes	Calm down with soothing sounds

GRADE R WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Listen and respond to verbal and environmental stimuli • Retell stories using pictures or on their own • Sing and recite poems and rhymes • Use language for communication • Use visual and pictorial cues to make meaning	• Recognise sounds in the environment • Express own feelings • Listen to basic questions /instructions –acts appropriately • Recognise and point out common objects in pictures • Talk about pictures in books , magazine and newspapers etc. • Identify different vegetables • Taste and textures of vegetables • Shapes and colours of vegetables
		Phonics	
		• Identify different and similar words • Recognise the letter sound at the beginning of their own name • Recognise similarities/differences between sounds • Recognise the “ p, i ” sounds with picture	• Group names of classmates with the same beginning sound • Identify beginning sounds of words, e.g. p – pen i - ink
		Reading and Viewing	
		• Begin to build on oral vocabulary using the topic • Use visual and pictorial cues to make meaning • Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	• Talk about the illustrations in the picture books • Find an image object in a picture/ or on topic table
		Writing / Pre – handwriting	

GRADE R WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Draw pictures /control of large muscles • Develop fine motor muscles through finger play (play dough , threading and stacking and , blocks) • Use scissors to cut out play dough • Move from left to right on the pegboards	• Practice writing the “a” letter on different textures with their fingers e.g. : carpet , paint , learners backs , sand , and modeling play dough to form the letter • Practice on chalk boards thick chalk lines and circles • Practice with scissors on “open cut close”
Week 8-9 2hrs per day	Mixed secondary colours (orange, green and purple) around us	Listening and Speaking (oral) (Communication)	
		• Listen to stories, songs and rhymes • Retell stories using pictures or on their own • Sing songs and recite poems and rhymes • Use visual and pictorial cues to make meaning • Use language for communication • Role play on how she/he feels	• Calm down with soothing sounds • Recognise sounds in the environment • Express own feelings • Listen to basic questions /instructions –acts appropriately • Recognise and point out common objects in pictures • Talk about pictures in books , magazine and newspapers etc. • Identify colours orange, green and purple in items and objects around us.
		Phonics	
		• Identify different and similar words • Recognise the letter sound at the beginning of their own name • Recognise similarities/differences between sounds	• Group names of classmates with the same beginning sound

GRADE R WITH DIFFERENTIATION TERM 2

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		Revise the sounds with pictures	Identify the beginning sounds in words (s, a, t, p, i)
		Reading and Viewing - Begin to build on oral vocabulary using the topic - Use visual and pictorial cues to make meaning - Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	- Talk about the illustrations in the picture books - Find an image object in a picture/ or on topic table
		Writing / Pre – handwriting - Draw pictures /control of large muscles - Develop fine motor muscles through finger play (play dough , threading and stacking and , blocks) - Use scissors to cut out play dough - Move from left to right on the pegboards - Make lines on chalkboards and circles	- Practice writing the “a” letter on different textures with their fingers e.g. : carpet , paint , learners backs , sand , and modeling play dough to form the letter - Practice on chalk boards thick chalk lines and circles - Practice with scissors on “open cut close”

GRADE R WITH DIFFERENTIATION

Term 2

Suggestions for assessments :

- Oral and or practical
- Observation

LISTENING AND SPEAKING :

- Follow instructions
- Hear and clap/tap to pattern
- Point out object on poster
- Recognize the senses on poster on body and explain what each sense can do
- Use poster “Healthy Living” ask learners on how the children are keeping clean
- Name the senses
- Sing a song or rhyme learnt

GRADE R WITH DIFFERENTIATION

Term 2

PHONICS

- Identify the “a, b” sounds
- Tear and paste a picture:
- Practice formation of circles on the chalkboard
- Identify different and similar words

READING AND VIEWING

- Recognize the “a, b” sounds in print
- Recognize basic weather signs
- Practice pre writing skills
- Colour in a picture with an “a” sound
- Thread beads
- Begin to make formations with finger paint
- Draw lines on chalkboards
- Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles

WRITING /PRE-HANDWRITING

- Use scissors to cut out play dough
- Move from left to right on the pegboards
- Make lines and circles on chalkboards

GRADE R WITH DIFFERENTIATION TERM 3

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 1-2 2hrs per day	Me and my family	Listening and Speaking (oral) (Communication)	
		• Listen attentively to questions and give answers /Listen without interrupting. • Use visual and pictorial cues to make meaning • Listen to stories, songs and rhymes • Sing songs and recite rhymes • Use language for communication • Follow instructions with support	• Listen to sounds in the environment or to educational aids : related to topic • Use own body to make sounds • Identify basic rules of the road • Match things that go together and compare different things that are different • Recognise and point out common objects in pictures • Talk about pictures in books, magazine and newspapers etc. • Talk about family members
		Phonics	
		• Identify different and similar words • Recognise the letter sound at the beginning of their own name • Clap or tap out syllables on vocabulary of topic or name • Recognise the alphabets with picture according to progress of learners	• Group names of classmates with the same beginning sound • Sen/zo (2 taps) car (1 tap) mo/tor/bike (3 taps) • Identify beginning sounds in words (s,a,t,p,i)
		Reading and Viewing	
		• Begin to build on oral vocabulary using the topic • Use visual and pictorial cues to make meaning • Hold book and turn pages correctly	• Talk about the illustrations in the picture books • Find an image object in a picture/ or on topic table

GRADE R WITH DIFFERENTIATION TERM 3

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Build and complete 5 or more piece of jig-saw puzzle or place knob puzzles	
		Writing / Pre – handwriting	
		• Draw pictures /control of large muscles • Develop fine motor muscles through finger play (play dough, threading and stacking and blocks) • Improve eye-hand coordination • Form letters in different ways e.g. sand/body/paint/clay/mud/shaving foam /jelly /walking on form , letters numbers shapes	• Reach with hand • Begin touching objects • Try holding writing instruments in correct manner
Week 3-4 2hrs per day	Me and my home	Listening and Speaking (oral) (Communication)	
		• Listen attentively to questions and give answers /Listen without interrupting. • Use visual and pictorial cues to make meaning • Listen to stories, songs and rhymes • Retell a story/parts of a story • Act out a story • Use language for communication	• Listen sounds in the environment or to educational aids : related to topic • Use own body to make sounds (body percussion) • Match things that go together and compare different things that are different • Recognise and point out common objects in pictures • Talk about pictures in books, magazine and newspapers etc. • identify rooms in the house - kitchen, bedroom, bathroom, and living area.
		Phonics	
		• Identify different and similar words • Recognise the letter sound at the beginning of their own name	• Group names of classmates with the same beginning sound

GRADE R WITH DIFFERENTIATION TERM 3

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Clap or tap out syllables on vocabulary of topic or name • Recognise the letters of the alphabet with pictures: i, n • “Read” monosyllabic words in pictures	• Sen/zo (2 taps) car (1 tap) mo/tor/bike (3 taps) • Recognise the letters of the alphabet with pictures: i-ink, n – night. • “Read” monosyllabic words in pictures e.g. sat, pat, tap, sit, pit, tip, pip, sip.
		Reading and Viewing	
		• Begin to build on oral vocabulary using the topic • Use visual and pictorial cues to make meaning • Holds book and turn pages correctly	• Talk about the illustrations in the picture books • Find an image object in a picture/ or on topic table • Complete puzzles
		Writing / Pre – handwriting	
		• Draw pictures /control of large muscles • Develop fine motor muscles through finger play (play dough , threading and stacking and , blocks) • Improve eye-hand coordination • Form letters in different ways e.g. sand/body/paint/clay/mud/ shaving foam /jelly /walking on form , letters numbers shapes	• Reach with hand • Begin touching objects • Try holding writing instruments in correct manner
Week 5-7 2hrs per day	Transport	Listening and Speaking (oral) (Communication)	
		• Listen attentively to questions and give answers /Listen without interrupting. • Use visual and pictorial cues to make meaning • Listen to stories, songs and rhymes • Sing songs and recite rhymes	• Listen sounds in the environment or to educational aids : related to topic • Use own body to make sounds body percussions • Make use of pouring , splashing squirting > listen to sound of water

GRADE R WITH DIFFERENTIATION TERM 3

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Retell a story • Act out a story	• Match things that go together and compare different things that are different • Look at pictures and talk about common experiences • identify car, boat, bicycle, bus, taxi, aeroplane, train
		Phonics	
		• Identify different and similar words • Recognise the letter sound at the beginning of their own name • Clap or tap out syllables on vocabulary of topic or name • Recognise the letters of the alphabet with pictures (n,m) • “Read” monosyllabic words in pictures	• Group names of classmates with the same beginning sound • Sen/zo (2 taps) car (1 tap) mo/tor/bike (3 taps) • Recognise the letters of the alphabet with pictures according to progress of learners: n- night, m - man • “Read” monosyllabic words in pictures e.g. pan, pin, tin, mat, map.
		Reading and Viewing	
		• Begin to build on oral vocabulary using the topic • Use visual and pictorial cues to make meaning • Hold book and turn pages correctly	• Label items on topic table e.g. bottle/water/towel/soap • Activity with items that float and sink • Recognise pictures on Water poster • Complete puzzles
		Writing / Pre – handwriting	
		• Draw pictures /control of large muscles • Develop fine motor muscles through finger play (play dough , threading and stacking and , blocks) • Improve eye-hand coordination	• Reach with hand • Begin touching objects • Try holding writing instruments in correct manner • Magic paint , draw /write with crayons and colour wash

GRADE R WITH DIFFERENTIATION TERM 3

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		Form letters/drawings scribbles in different ways using paint	with colouring water moving hands from left to right or top to bottom
Week 8-9	Look, colour has no shape or size	Listening and Speaking (oral) (Communication)	
		- Listen attentively to questions and give answers /Listen without interrupting. - Use visual and pictorial cues to make meaning - Listen to stories, songs and rhymes - Retell a story - Act out the story	- Listen sounds in the environment or to educational aids : related to topic - Use own body to make sounds body percussions add oral motor exercise : free kissing, tongue clicking sounds - Oral motor skills, e.g. sounds of farm animals - Match things that go together and compare different things that are different - Look at pictures and talk about common experiences - Identify the colours taught in term 1 and two - Understand that colours have no shape or size
		Phonics	
		- Identify different and similar words - Recognise the letter sound at the beginning of their own name - Clap or tap out syllables on vocabulary of topic or name - Recognise the letters of the alphabet with pictures (m,d) “Read” monosyllabic words in pictures	- Group names of classmates with the same beginning sound - Sen/zo (2 taps) car (1 tap) mo/tor/bike (3 taps) - Recognise the letters of the alphabet with pictures according to progress of learners (m – man, d – dog) “Read” monosyllabic words in pictures e.g., mat, man, pen, pig, dam, can, van, net (word progress on the level of learners in class)

GRADE R WITH DIFFERENTIATION TERM 3

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		Reading and Viewing	
		• Use visual and pictorial cues to make meaning • Begin to build on oral vocabulary using the topic • Hold book and turn pages correctly using support	• Recognise pictures on topic poster • Point to objects on topic table • Give learners the opportunity to handle books in the reading corner/at their desks/on the mat. • Complete puzzles
		Writing / Pre – handwriting	
		• Draw / paint /colour in pictures /control of large muscles • Develop fine motor muscles through finger play (play dough, threading and stacking, blocks, moving objects from left to right) • Improve eye-hand coordination	• Reach with hand • Begin touching objects • Try holding writing instruments in correct manner • Tear /cut and paste activities
Week 9-10 2hrs per day	Revision and assessment A very tiring term , work on the progress of the learners (climate has a challenge	Listening and Speaking (oral) (Communication)	
		• Listen attentively to questions and give answers /Listen without interrupting. • Use visual and pictorial cues to make meaning • Listen to stories, songs and rhymes • Retell a story • Act out the story	• Listen sounds in the environment or to educational aids : related to topic • Use own body to make sounds (body percussion), e.g. pretend sweeping, raking • Ask learners to identify items on the playground : litter • Match things that go together and compare different things that are different • Look at pictures and talk about common experiences
		Phonics	
		• Identify different and similar words	• Group names of classmates with the same beginning

GRADE R WITH DIFFERENTIATION TERM 3

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
	on the learners' behaviour and progress)	• Recognise the letter sound at the beginning of their own name • Clap or tap out syllables on vocabulary of topic or name • Recognise the letters of the alphabet with pictures • "Read" monosyllabic words in pictures	• sound • Sen/zo (2 taps) car (1 tap) mo/tor/bike (3 taps) • Revise the letters of the alphabet with pictures according to progress of learners (s,a,t,p,i,n,m,d) • "Read" monosyllabic words in pictures e.g. dog, cat, mat, man, pen, pig, dam, can, van, net (word progress on the level of learners in class)
		Reading and Viewing	
		• Use visual and pictorial cues to make meaning • Begin to build on oral vocabulary using the topic • Hold book and turn pages correctly using support	• Recognise pictures on topic poster • Label containers in class for recycle > paper + picture • Peels + picture sweet /chips wrappers + picture: learners to sort litter in the class and out of class • Complete puzzles
		Writing / Pre – handwriting	
		• Draw / paint /colour in pictures /control of large muscles • Develop fine motor muscles through finger play (play dough, threading and stacking, blocks, moving objects from left to right) • Improve eye-hand coordination	• Reach with hand • Begin touching objects • Try holding writing instruments in correct manner • Tear /cut and paste activities

GRADE R WITH DIFFERENTIATION TERM 3**Suggested assessment goals**

- Oral and or practical
- Observation

LISTENING AND SPEAKING :

- Sing a song or rhyme learnt
- Name a few family members
- Remember events of a story
- Talk about traffic light / What do red/amber/green lights mean?
- Speak on Transport Poster or on different modes of transport as per topic table
- Use visual and pictorial cues to make meaning

PHONICS

- Clap or tap out syllables vocabulary words on topic e.g. mo/tor/bike
- “Read” monosyllabic words with picture e.g. sit, pin, man, mat, tap
- Identify different and similar words
- Recognise the letter sound at the beginning of their own name

GRADE R WITH DIFFERENTIATION TERM 3**Suggested assessment goals****READING AND VIEWING**

- Identify/find transport pictures in magazines
- Cut and label pictures
- Hold book and turn pages correctly or with support (books on hard card board or pegs attached
- “Read” labels ” on simple class poster of topic
- “Read” a sensory story book

Pre-writing

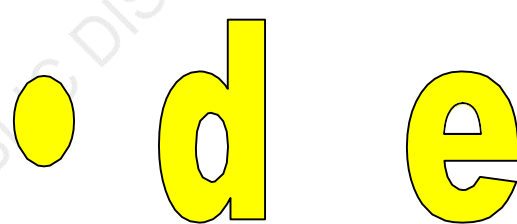

- Practice pre-writing skills
- Colour /paint large picture on the topic
- Move pegs on peg board from left to right / or clothing pegs on trays or hard surface move from left to right
- Create a sensory poster
- Form letters in different ways e.g. sand/body/paint/clay/mud/shaving foam /jelly /walking on form , letters numbers shapes

GRADE R WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
Week 1-2 2hrs per day	Water	Listening and Speaking (oral) (Communication)	
		- Follow instructions with support - Wait for his/her turn to speak - Sing and perform rhymes - Listen to stories, songs and rhymes - Retell a story - Act out the story - Use language to develop concepts	- Establish rules and reinforce continuously - Do role plays and have simple conversations with confidence - Identify rain - Recognise drinking water - Understand that we have to save water
		Phonics	
		- Recognise names and some letters of the alphabet "Read" high frequency names	Flash/use learners' names on flash cards
		Reading and Viewing	
		- Use visual and pictorial cues to make meaning "Read" Big Books with pictures	Point (with finger or eye movement) to objects in picture story
		Writing / Pre – handwriting	
		- Make an attempt to write letters using squiggles - Start writing their own name - Trace simple out line of pictures / dots - Trace own name - Develop fine motor muscles through finger play (play	- Reach with hand - Try to hold pencil/crayons correctly with firm grip - Magic paint, draw/write with crayons and colour wash with colouring water moving hands from left to right or top to bottom

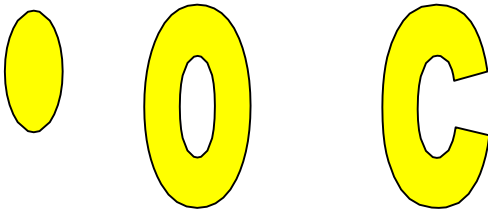

GRADE R WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		dough, threading and stacking, blocks, moving objects from left to right)	
Week 3-4 2hrs per day	Pets	Listening and Speaking (oral) (Communication)	
		• Wait for her turn to speak. • Listen to stories, songs and rhymes • Retell a story • Sing and perform rhymes with confidence • Use language to develop concepts	• Repeat rules and reinforce continuously • Do role plays and have conversations with confidence • Identify pets • Care for pets • Imitate birds sounds
		Phonics	
		• Recognise names and some letters of the alphabet (d,g) • “Read” high frequency names	• Use learners’ names on flash cards
		Reading and Viewing	
		• Use visual and pictorial cues to make meaning • “Read” Big Books with pictures	• Point (with finger or eye movement) to objects in picture story
		Writing / Pre – handwriting	
		• Make an attempt to write letters using squiggles • “Write” own name • Trace simple out line of pictures / dots • Trace own name • Develop fine motor muscles through finger play (play dough, threading and stacking, blocks, moving objects	• Reach with hand • Try to hold pencil/crayons correctly with firm grip • Paint using feathers • Trace around a large pre –prepared letter and fill in with waste material

GRADE R WITH DIFFERENTIATION TERM 4			
WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		from left to right)	C
Week 5-6 2hrs per day	Farm Animals	Listening and Speaking (oral) (Communication)	
		• Wait for her turn to speak. • Sings and perform rhymes with confidence • Listen to stories, songs and rhymes • Act out the story • Use language to develop concepts	• Repeat rules and reinforce continuously • Role plays and have conversations with confidence • Speak of own experiences. • Identify farm animals • Identify sounds of farm animals
		Phonemic Awareness and Phonics	
		• Recognise names and some letters of the alphabet (g,o) • “Read” high frequency names	• Use learners’ names on flash cards • Imitate farm animal sounds • “Read” high frequency words, e.g. brand names (SPAR; STOP, JOKO, etc.)
		Reading and Viewing	
		• Use visual and pictorial cues to make meaning • “Read” Big Books with pictures • Recognise some names and some letters of the alphabet	• Point (with finger or eye movement) to objects in picture story • Track learners eyes with a small toy from their left to right , follow the animal with their eyes and do not move their heads
		Writing / Pre – handwriting	
		• Make an attempt to write letters using squiggles	• Reach with hand

GRADE R WITH DIFFERENTIATION TERM 4

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Start writing their own name • Trace simple outline of pictures / dots • Trace own name • Develop fine motor muscles through finger play (play dough, threading and stacking, blocks, moving objects from left to right)	• Try to hold pencil/crayons correctly with firm grip • Paint using feathers • Trace around a large pre –prepared letter and fill in with waste material 
Week 7-8 2hrs per day	Wild animal s	Listening and Speaking (oral) (Communication)	
		• Wait for her turn to speak. • Listen to stories, songs and rhymes • Retell a story • Sing and perform rhymes with confidence • Use language to develop concepts	• Repeat rules and reinforce continuously • Do role plays and have conversations with confidence • Look at pictures of wild animals and name them • Identify wild animals
		Phonics	
		• Recognise names and some letters of the alphabet (o, c, ck) • “Read” high frequency names • Clap syllables in names	• Use learners’ names on flash cards
		Reading and Viewing	
		• Use visual and pictorial cues to make meaning • “Read” Big Books with pictures	• Point (with finger or eye movement) to objects in picture story • Create/make sports pictures using flat plastic shapes

GRADE R WITH DIFFERENTIATION TERM 4

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Recognise some names and some letters of the alphabet	• Track learners eyes with a small toy from their left to right , follow the animal with their eyes and do not move their heads • Play memory game about wild animals e.g. First learner say “<u>I saw a lion</u>” second learner continues, e.g. I saw a lion and a monkey” (enrichment make use of sports items or flash card with pictures)
		Writing / Pre – handwriting • Make an attempt to write letters using squiggles • Start writing their own name • Trace simple outline of pictures / dots • Trace own name • Develop fine motor muscles through finger play (play dough , threading and stacking , blocks , moving objects from left to right)	• Reach with hand • Try to hold pencil/crayons correctly with firm grip • Paint using ear buds /leaves Learners trace around a large pre – prepared letter and fill in with waste material • Trace around a large pre-prepared letter and fill in with waste material 
Week 9-10 2hrs per day	Colour can be light and dark	Listening and Speaking (oral) (Communication) • Wait for her turn to speak. • Listen to stories, songs and rhymes • Retell a story • Act out the story	• Repeat rules and reinforce continuously • Do role plays and have conversations with confidence • Identify black and white • Recognise that colours can be dark and light

GRADE R WITH DIFFERENTIATION TERM 4

WEEK	TOPIC	CONTENT/CONCEPTS/SKILLS	CLARIFICATION NOTES/TEACHING GUIDELINES Suggested activities:
		• Sings and perform rhymes with confidence • Use language to develop concepts	
		Phonemic Awareness and Phonics	
		• Recognise names and some letters of the alphabet • “Read” high frequency names • Clap the syllables in their names	• Use learners’ names on flash cards
		Reading and Viewing

		Writing / Pre – handwriting	
		• Make an attempt to write letters using squiggles • Start writing their own name • Trace simple outline of pictures / dots • Trace own name • Develop fine motor muscles through finger play (play dough , threading and stacking , blocks , moving objects from left to right)	• Reach with hand • Try to hold pencil/crayons correctly with firm grip • Make letters they learnt from modeling clay • Make decorations for a celebration, e.g. for a Christmas Tree

GRADE R WITH DIFFERENTIATION TERM 4**Suggested assessment goals**

- Oral and or practical
- Observation

LISTENING AND SPEAKING:

- Point out differences in 2 objects
- Sing a song or rhyme learnt
- Follow instructions and answer questions
- Use a story to recognise a common experience e.g. animals at home
- Participate in discussions about wild animals
- Sing a song or rhyme learnt
- Share their own experiences with confidence
- Wait for turn to speak

PHONICS :

- Identify letter sounds at the beginning of their own name
- Recognise the animal flash cards / “Read” the pictures in the poster
- Participate in discussions about farm animals
- Sing a song or rhyme learnt
- Follow instructions: bring three objects or pick up the cat (toy animals)
- “Read” high frequency names

GRADE R WITH DIFFERENTIATION TERM 4**READING AND VIEWING**

- “Read” picture story books
- Recognise the animal flash cards / “Read” the pictures in the poster
- Recognise some names and some letters of the alphabet

WRITING/PRE-HANDWRITING

- Practice pre-writing skills: trace letter, name or numbers / colour/paint a picture keep within the outline of picture
- Trace letters practicing on the start and end
- Make an attempt to write letters using squiggles
- Start writing their own name
- Trace simple outline of pictures / dots
- Trace own name

DRAFT DOCUMENT - NOT FOR PUBLIC DISTRIBUTION
