

Suggested Rubrics (ADAPT FOR LEARNERS WITH SEVERE INTELLECTUAL DISABILITY)					
Numbers, Operations and Relationships					
Activity(Oral)	1	2	3	4	5
Count forwards and backwards in: 5s from any multiple of 5 between 0 and 100 2s from any multiple of 2 between 0 and 100 10s from any multiple of 10 between 0 and 100	Need assistance and concrete objects to count on and backwards	Count in 5s, 10s and/or 2s using concrete objects	Count forwards and backwards in 5s, 10s and 2s although errors occur	Count forwards and backwards in multiples of 5, 10 and 2.	Count forwards and backwards in multiples of 5, 10 and 2 to 100 and more without any errors Confidently and accurately
Activity(Practical)	1	2	3	4	5
Place value - Decompose two-digit numbers of numbers 11 to 25 into multiples of 10 and ones/ units - Identify and state the value of each digit	Need assistance to decompose two-digit numbers and identify the value of each digit.	Decompose a limited number of two-digit numbers but is hesitant to state the value of each digit.	Decompose two-digit numbers and identify the value of each digit using teaching aids (flard cards), although errors, e.g. reversals occur.	Decompose two-digit numbers and identify the value of each digit.	Decompose any two-digit number correctly and confidently without any errors. Can identify and state the value of the digits without hesitation.
Space and Shape					
Activity(Oral)	1	2	3	4	5
3-D objects Recognise and name 3-D objects in the classroom and on pictures - ball shapes (spheres)/ box shapes (prisms)	Need assistance to recognise and name any 3-D object.	Attempt to name one of the 3-D objects	Recognise and name one of the 3-D objects in the classroom using simple language.	Recognise and name the 3-D objects in the classroom and on a picture correctly.	Recognise the 3-D objects in the class describe the object using correct language, e.g. ball shaped (spheres), box shaped (prisms).
Measurement					
Activity(Oral)	1	2	3	4	5
Telling the time	Need assistance to name	Need assistance to name	Name and sequence the	Name and sequence the	Name and sequence the

Name and sequence days of week/ sequence months of year	and sequence days of the week/months of the year.	and sequence days of the week/months of the year and many errors occur	days of the week and the months of the year with a small number of errors	days of the week and the months of the year independently	days of the week and the months of the year independently and with confidence
Activity (Practical)	1	2	3	4	5
Length Estimate, measure, compare, order and record length using non-standard measures e.g. hand spans, paces, pencil lengths, counters etc.	Need assistance to estimate, measure, compare, order and record length using informal units	Estimate, measure, compare, order and record length using informal units although many errors occur	Estimate, measure, compare, order and record length using informal units with a small number of errors	Estimate, measure, compare, order and record length using informal units	Estimate, measure, compare, order and record length using informal units and attempt to use formal units
