STORY: Lin Yi's Lantern

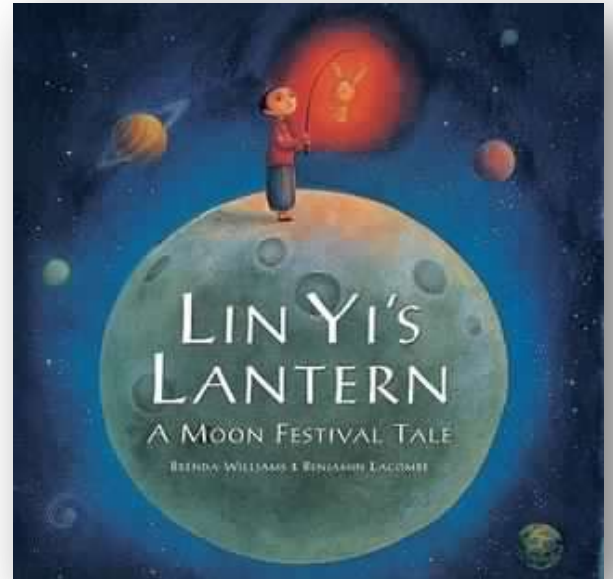

Lin Yi and his family are going to celebrate the Moon Festival. They plan what they will eat and Lin Yi's mother sends him to the market to buy the food.

Lin Yi wants a red rabbit lantern for the moon festival and if he bargains well, he may have enough money left over for the lantern.

The story follows Lin Yi to the market where he does the shopping for his mother.

First, he tries very hard to bargain well, all the while keeping his eye on the red rabbit lantern that he wants to buy. **Then** he has a couple of opportunities to disobey his mother, but chooses to follow his conscience. **Next**, when Lin Yi is faced with a choice, he decides to do the right thing. **After that** he goes home with moon cakes, star fruit, rice, yams ... and peanuts for Uncle Hui.

Finally he receives a red rabbit lantern from Uncle Hui and the story ends on a happy note.
