Dear Mr S. Sathebe

We would like to inform you about our special security plan that can give you a peace of mind. We note with concern that you have had a series of burglaries in a short space of time. Take note that before driving off on your long awaited holiday, you need to complete some few tasks. Willowmore Security Services has compiled a list of all those last minute things that are often forgotten in a rush to get away. Keep it with you and tick each one as you take a tour of your house.

Is your alarm active?

Are all doors and gates locked?

Are all windows closed?

Does the neighbour have your telephone numbers?

For more information call our offices at 011) 763 0000

Yours faithfully

Morudi Musa
